MindPeak Institute – Refund & Cancellation Policy

Last updated: December 21, 2025

This Refund & Cancellation Policy applies to all courses, test-series, workshops, subscriptions, and digital products sold by MindPeak Institute. Read carefully – we keep this strict and simple.

1. Scope

This policy covers:

- Live instructor-led courses (online or offline)
- Recorded/self-paced courses and digital content
- Test series and mock exams
- Trial offers, bundles, and subscription plans
- Installment plans and corporate/group purchases

2. Key principles

- If you've consumed material or used services, you can't get a full refund.
- We refund only when requests meet the eligibility rules below.
- Refunds are issued to the original payment method unless otherwise agreed.

3. Eligibility & timelines

A. Live courses / cohorts

- Full refund if you cancel within 7 calendar days of payment and you have attended no more than one live session (or 20% of scheduled live contact hours, whichever is lower).
- Partial refund (prorated) if you attended more than one session: refund = course fee - value of sessions attended - administrative fee.
- No refund after more than 30 calendar days from purchase or after the final live session has taken place.

B. Recorded / self-paced courses

- Full refund if requested within 48 hours of purchase and less than 20% of the course content has been accessed (video watch / downloads).
- No refund if $\geq 20\%$ of content accessed or after 14 calendar days from purchase.

C. Test series / mock exams

- Full refund if requested within 7 calendar days and no tests have been submitted or graded.
- No refund once any test has been submitted, attempted, or results issued.

D. Subscriptions / recurring payments

- Refunds for recurring payments are only available for the current billing period and only under the same rules as the product type (live/self-paced). No retroactive refunds for past billing periods where access was provided.

E. Group / corporate purchases

- Refunds follow the same rules, but the refund request must be made by the original purchasing contact. Group discounts may reduce refundable amounts proportionally.

4. Special exceptions

- Medical emergencies: Provide supporting documents (doctor's certificate). If approved, we may offer a pro-rata refund or credit.
- Course cancellations by MindPeak: If we cancel a course entirely, you will receive a full refund or a full credit toward another course – your choice.
- Promotional / discount purchases: If you bought at a promotional price, your refund will be based on the amount actually paid (not on the original full price).

5. Taxes & fees

- Platform/GST/processing taxes included in the purchase may be non-refundable where required by law. If taxes are refundable under government rules, refunds will reflect that.

6. Administrative & processing fees

- For approved refunds where services were partially used, an administrative processing fee applies: ₹500 or 5% of the refund amount, whichever is higher.
- Payment gateway charges and third-party fees (typically 1-3%) may be deducted from the refunded amount if non-refundable by the gateway.

7. How to request a refund

1. Email refundsemindpeakinstitute.com with:

- Your name, registered email, phone number
- Course / product name and purchase date
- Reason for refund and supporting evidence (if claiming medical or special exception)

2. Subject line: Refund Request – [Course Name] – [Order ID]

- We will acknowledge receipt within 3 business days and notify you of the decision. Approved refunds are processed within 7-14 business days to the original payment method. Bank/issuer delays may add extra time.

8. Chargebacks & disputes

- If you file a chargeback without first contacting us, we will contest it with the payment provider and may deny future enrollments until the dispute is resolved.
- We prefer to resolve issues directly – contact refundsemindpeakinstitute.com first.

9. Installment plans

- If you paid in installments and receive a refund, the refundable amount will be adjusted to account for course access used and installments already paid. Any outstanding installments may be waived or collected based on the amount refunded.
